

Give your kids the gift of giving

How it Works

We work with the Denver Housing Authority and the neighborhoods they serve to help connect families who want to meet and hand-deliver gifts with over 1,300 children.

Select a Child to Help

Visit SantasElvesDenver.org to select a child and become an Elf. We'll email you their wish list and family details.

Get Ready

Take your kids shopping, pick out gifts, wrap them, and get excited for the event on **December 10, 2016**.

Meet the Family

Your kids deliver the gifts on **December 10th** at our event (or choose the home-delivery option).

SANTA'S ELVES 
Kids Giving to Kids

Santa's Elves - Kids Giving to Kids, is a 501(c)(3) organization that creates opportunities for parents to inspire their children to give right in their own community. Unlike most other charities, Santa's Elves allows children to experience Christmas in a unique way. From the very beginning, your child 'Elf' will choose a child or family, buy and wrap gifts, and then hand-deliver them. We work in partnership with Denver Housing Authority and the neighborhoods they serve.
